PRINCIPAL'S NEWS

Welcome to the last newsletter for the term! What a wonderful term it has been.

PREP Students Embark on their Schooling Journey:

This term we welcomed our newest members to the Bundaberg South family - our PREP students! It has been an exciting time for these young learners who are filled with wonder, curiosity, and boundless potential.

Making New Friends in New Classes:

With the start of the new school year, students transitioned to new classes and have been busy making new friends and forming connections. We encourage all students to embrace this opportunity to broaden their social circles, learn from one another, and create lasting friendships that will enrich their school experience.

So nice to meet you

NAPLAN Completion for Year 3 and Year 5 Students:

Congratulations to our Year 3 and Year 5 students for completing their NAPLAN assessments! We commend their hard work.

Celebrating Student Achievements

We are proud to recognise the outstanding efforts and achievements of our students. Throughout the term, students have been demonstrating respect, responsibility, and how to be safe. From classroom awards to end-of-term accolades, we celebrate each student's unique talents and contributions to our school community.

Bidding Farewell:

On Thursday, bid farewell to Mrs. Andrea Franklin. Mrs. Franklin has been an integral part of our Bundaberg South State School family as Head of Department - Curriculum and her contributions have left a lasting impact on our school community.

Get Involved:

We encourage parents to get involved in school life and support their child's educational journey. Whether it's volunteering, attending school events, or joining our parent committee, your involvement makes a positive difference in the lives of our students.

Guidance News:

FROM THE GUIDANCE OFFICER - Rachel Tobin

KID-APPROVED ACTIVITIES FOR THE EASTER LONG WEEKEND – BUNDABERG

1. Get back to nature

Lace up your hiking boots and wander away from the wifi. Surround yourself and the children in a nature-filled haven of native flora and fauna. Head to the outdoors.

2. See the coast

Take a relaxing walk and enjoy the ocean views. On the way, stop by the Turtle Park and Playground at Bargara Beach. You can even bring your bike and cycle the turtle trail all the way to Burnett Heads. Entire days easily disappear with some sunscreen, a towel and a pack lunch at Bundaberg beaches during school holidays.

3. Bundaberg Botanic Gardens and Playground

The gardens are home to 114 different bird species – the perfect opportunity to be still together and see what you can spy. There is a cafe and Railway Museum. The Australian Sugarcane Railway conducts train rides every Sunday and four days a week during school holidays on their track that winds its way through the gardens.

Scavenger hunt: Friends and families can hop on over to the Hinkler Hall of Aviation and join in the fun of the Great Botanic Garden's Scavenger Hunt. Scavengers can collect a hunt question sheet with the first 200 participants to return the sheet answered correctly receiving a prize.

4. Instil a little culture Bundaberg Regional Art Gallery

An unmissable institution to visit during school holidays, Bundaberg Regional Art Gallery is a space filled with fascinating displays for you and interactive instalments for your little ones. Rich in history, the Bundaberg regional Art Gallery was once home to Customs House in 1902 and then the bank in 1921 where they installed two concrete bank vaults, armed with heavy combination locks. These vaults are now used as the gallery's 'The Vault' installation space. A curious place to be and experience.

The gallery is also home to a Kidz Corner, complete with interactive displays, arts and crafts where kids self-guide their way through activities. Sensory play is encouraged throughout the exhibits and you'll typically find parents get curious and playful in this space as well. A little something to awaken everyone's thirst to be tactile with art, perhaps.

There's plenty of parking out front, but it's worth a mention that only two of the three gallery spaces are accessible with prams and wheelchairs.

Bundaberg Regional Art Gallery will be hosting four special holiday workshops exploring the current Imaginarts exhibition, The Castle of Tarragindi on Tour. Developed by Australian artist Natalya Hughes in collaboration with the Queensland Art Gallery of Modern Art (QAGOMA), The Castle of Tarragindi on Tour invites gallery visitors to create their own digital hybrid creature, decorate and assemble a 3D object, make elaborate patterns using printed paper, and take part in self-portrait drawing activities.

5. Alexandra Park and Zoo

Alexandra Park and Zoo can entertain the kids for hours. A small but engaging zoo with a free petting zoo often open during school holidays, but the real highlight is the playground. Situated beside the Burnett River offering a cool breeze and plenty of shade, this playground is HUGE and will keep the kids entertained for hours!

Zoo Keeper Talks: The popular Zoo Keeper Talks will allow children to meet and discover more about the Alexandra Park Zoo animals.

6. Free school holiday movie

For movie lovers, the Moncrieff Entertainment Centre will offer a free school holiday screening of the action-packed DreamWorks Animation's film Trolls Band Together.

Families can relax in the comfort of the theatre, whilst enjoying Trolls' signature mix of new and classic pop hits, starring a dazzling cast of musical superstars and comedic powerhouses.

7. Library activities

Gin Gin, Childers and Bundaberg Libraries have a diverse range of activities and events to delight young library lovers. Activities include making an ocean rainbow fish, scratch board mandala, Tic Tac Toe board game, wooden bookmarks and egg carton faces. The board games and Lego fun sessions will also be a hit for holiday makers.

Wishing everyone a safe and happy holiday.
